-Deed

Virginia,

In the Circuit Court of Lee County.

-----  
To the Hon. W. T. Miller, Judge of said Court:--

-----Humbly complaining, sheweth unto your Honor, your orator, John B. Hill, that on the 1st day of January 1895, one R. C. Brent executed to your orator under the name of J. B. Hill, being one and the same person, his note for the sum of \$727.00 for value received payable one day after date and waiving the homestead exemption, ~~and~~ said note being under seal, and is herewith filed as part hereof marked "A," and no part thereof has been paid. Your orator will further represent and shew unto your Honor that ~~sexth~~ afterwards, to-wit: on the 24th day of January 1895, the said R. C. Brent being then and at the time of the execution of said note seized in fee-simple of certain real estate, lying and being in said county of Lee, and State of Virginia, and in order to secure the payment of said note, he, on the said 24th day of January 1895, ~~xxx~~ together with his wife, ~~Martha~~ ~~Martha~~ Brent, executed to your orator a deed of mortgage conveying to your orator the said real estate, it being an undivided one-half of all the land theretofore belonging to Nancy K. Hurst and willed by her to the said R. C. Brent and John B. Hill, and bounded on the ~~South~~ South by the land of the heirs of Thos. P. Ensor, on the East by the land of R. M. Ely, deceased, on the North by the land of L. M. Hobbs and on the West by the land of J. M. Wheeler, deceased, and also an undivided one-half ~~in~~ interest in another tract of land belonging to said R. C. Brent and Allie Brent, and bounded as follows, to-wit: On the South by the land of L. M. Hobbs, on the East by the lands of R. M. Ely, deceased, and on the North and West by the land of J. M. Wheeler, deceased, all of which is more fully set forth and described in the said deed of mortgage, a copy of which is herewith filed marked "B" and prayed to be taken as part hereof. By an inspection of the said copy of the said deed of mortgage it will be seen that the said note secured thereby was to have been paid on or before the 1st day of January 1897, with interest thereon from the 1st day of January 1895, ~~together with the~~ 'till paid, together with the expense of ~~executing~~ drawing and recording said deed and expense of sale. Your orator will further ~~represent~~ represent and shew unto your Honor that at the time limited and appoint

ed by said deed of ~~mortgage~~ mortgage for the payment of said note with interest, costs and expense as aforesaid, to-wit: January 1st 1897, the said R. C. Brent and Marth Brent failed to ~~pay~~ the said note interest, costs and expense, and no part of the same has as yet been paid, and is still due and unpaid to your orator; and your orator is advised that by the failure on the part of said R. C. Brent and wife to make said payment, that said real estate with its appurtenances became vested in your orator. Your orator will further represent and shew unto your Honor that the said R. C. Brent being justly indebted to your orator in another large sum of money, to-wit: in the sum of \$381.18, he, on the 28th day of November 1896, instituted in your Honor's Court his action of debt to recover from said Brent the said sum, and on the same day sued out from the Clerk's Office of said Court an ancillary to said action an attachment against the estate of the said R. C. Brent, and which attachment was, on the same day, at 3 O'clock P. M., by W. P. Weston, S. L. C., levied on the real estate of the said R. C. Brent hereinbefore mentioned, and the said cause coming on to be heard on the --day of March 1897, judgement was rendered therein in favor of your orator for the amount of his said debt interest and ~~re~~ costs, and an order of sale duly made and directed to the said Sheriff for the sale of the said real estate levied on as aforesaid, but the ~~sa~~ said order of sale has not as yet been executed; and the said judgement in said cause and your orator's said mortgage are the only liens on the said real estate. Your orator will further represent and shew unto your Honor that on the 11th day of December 1896, a deed purporting to convey from the said R. C. Brent to A. L. Brent the said real estate together with certain personal property in consideration of the sum of \$1700.00 was recorded in the Clerk's Office of the County Court of said County, said deed bearing date September 11th 1894, and your orator alleges that at the time of the execution to him of the said note and mortgage by the said R. C. Brent and wife he had no knowledge or notice either ~~xxxxi~~ actual or constructive of the existence of the said deed to the said A. L. Brent; and your orator further alleges that the said deed to the said A. L. Brent was voluntary upon the part of the said R. C. Brent, and was <sup>is</sup> without consideration and was in fact executed without the knowledge or consent of the said A. L. Brent and was never delivered.

never delivered to her; and the said deed was made and recorded voluntarily and by direction of the said R. C. Brent, and was so made and recorded for the purpose <sup>and with the intent</sup> of hindering and delaying and defrauding his creditors, both present and subsequent in the collection of their debts and especially your orator, and your orator is advised that said deed is fraudulent and void, and alleges that the same is fraudulent and void. Your orator <sup>will</sup> further represent and shew unto your Honor that there was also on the said 11th day of December 1896, recorded in the said Clerk's Office a deed from the said A. L. Brent and R. C. Brent to W. G. Colson, Trustee, which deed bears date on the 23rd day of November 1896, and purports to have been acknowledged on that day, and to have been executed for the consideration of the sum of \$1250.00 in hand paid to the said A. L. Brent, and \$1.00 and other valuable considerations paid to the said R. C. Brent, and to convey to the said Colson, Trustee, the real estate ~~hereinbefore mentioned~~ hereinbefore mentioned; and your orator is advised and here alleges that this deed was executed with the fraudulent intent of hindering, delaying and defrauding the creditors of the said R. C. Brent, and especially your orator and in fact that no consideration whatever passed between the parties, and that the certificate of acknowledgement of said deed was not correctly dated, and was dated back for a fraudulent purpose, and your orator will in due time prove and show the correct date of the said acknowledgement; your orator is therefore advised and alleges that the said deed is fraudulent and void so far as his rights are concerned. Copies of the said two last mentioned deeds are herewith filed as part hereof marked "D" and "E" respectively; and a copy of the said judgment and order of sale on said attachment is herewith filed as part hereof marked "C."

In tender consideration whereof, and for as much as your orator is remediless in the premises by the strict rules of Common Law and can not have adequate relief except in a Court of Equity, where matters of this kind are properly cognizable and relievable:

To the end therefore that justice may be done in the premises your orator prays that the said R. C. Brent, ~~Anna Brent~~ Martha Brent, A. L. Brent and W. G. Colson, Trustee be made parties defendant to this bill and required to answer the same, but not on oath, that being waived.

ed; that the said R. C. Brent may be decreed to pay the amount of the said mortgage and the interest as aforesaid as shown by the said note and mortgage by a short day to be appointed by this Honorable Court, and that in default of such payment the said R. C. Brent and wife and all persons claiming under them may be forever barred and foreclosed of and ~~for~~ from all ~~right~~ right of redemption of in and to the said mortgaged premises, or any part thereof, and that the said premises ~~or~~ or so much thereof as may be necessary be sold to pay said mortgage debt pursuant to the terms of the said mortgage and the amount of the said judgement upon said attachment hereinbefore mentioned and the costs of this suit; and to accomplish said purpose <sup>+</sup> that the said real state may be sold free from any cloud upon the ~~title~~ <sup>^</sup> title thereof, <sup>fraudulent</sup> that the said two deeds recorded December 11th 1896, be declared null and void in so far as the rights of your orator are in any way affected thereby. May proper process be issued and directed against said defendants; and that your orator may have all such further and other and general relief in the premises as the nature of his case may ~~require~~ <sup>seem</sup> require, or to equity shall meet, And your orator will ever pray, etc.

J. B. Hill, Plaintiff

versus

R. C. Brut Defendant

In Chancery.

Your respondents to  
the rule awarded against George Vaubert, <sup>and</sup>  
his son in W. G. Colson, Trustee. J. M. Wheeler <sup>and</sup> William  
Hoskins. The said George Vaubert ~~not~~ being  
<sup>compelled</sup> ~~to appear~~ <sup>to appear</sup> before the Court on this rule, a copy of which <sup>rule</sup>  
is filed herewith as a part herof marked exhibit "A."  
in so far as it affects them. The said George Vaubert  
~~not~~ being <sup>except by entering his appearance at this term</sup> before the Court, answering say that under  
the decree rendered in the above styled cause, the  
said B. H. Sewell - Commissioner in said cause  
did on the day of 18 - proceed to  
sell the land as set out & described in the decree  
as mentioned & described in said Commissioner's  
report of sale herein. That said George Vaubert  
became the purchaser of the land therein men-  
tioned as stated in said report of sale.  
That under said decree George Vaubert became  
the purchaser of a one half interest (undivided) <sup>all</sup> in  
the land on the South of the Fincastle road  
as mentioned in said decree.  
That prior to said sale J. B. Hill & R. C. Brut  
claimed to be the exclusive sole owners of  
said land on the South side of said Fincastle  
road; and that R. C. Brut had on the 24<sup>th</sup> day  
of January 1895 - conveyed or mortgaged his one half  
interest in same in connection with other lands <sup>said Hill</sup>  
to secure <sup>him</sup> said Hill in the sum of \$727 - with <sup>impled</sup> Covenant  
of General Warranty.

1 They will further show that at the time of the ~~sale~~  
2 as reported by B. H. Sewell, Commissioner herein. George  
3 Vaubeker became the purchaser of one <sup>half</sup> (indi-  
4 vided) of all the land on the South of <sup>Main</sup> Fincastle  
5 road. <sup>and</sup> that he purchased same in connection  
6 with the other land then sold. expecting to get a  
7 good title to it all. Containing  $23\frac{1}{2}$  acres  
8 That since the confirmation of your Commission-  
9 er's report herein they have learned that said  
10 land on the South of Main Fincastle road did  
11 not then belong to said J. B. Hill or R. C. Brent  
12 although they did claim then to be the owners thereof.  
13 They further will show your honor that they have recent-  
14 ly & not until very recently learned that the  
15 land on the South of <sup>Main</sup> Fincastle road at that  
16 time was impressed with a trust. implied  
17 in favor of the heirs of John Hunt. The husband  
18 of Nancy Hunt from whom said J. B. Hill  
19 and R. C. Brent claimed to have derived title  
20 to said land.

21 That the land on the South of Main Fincastle road  
22 contains <sup>about</sup>  $23\frac{1}{2}$  acres is the most <sup>valuable</sup> piece of land in-  
23 cluded in said sale. <sup>on half</sup> that the whole of said land  
24 (together with the improvements thereon) is <sup>then</sup> worth  
25 \$875. & that said land is worth much more per a-  
26 cre than the average <sup>value</sup> per acre of the entire tract  
27 sold.

28 They will further show your honor that at the time of  
29 said sale by your Commissioner herein & before that time  
30 the plaintiff J. B. Hill - publicly & openly claimed title  
31 to said land for himself & R. C. Brent, notwithstanding  
32 he then well knew the fact that said land on

the South of main Fincastle road was not  
his R. C. Brut's notwithstanding the fact that  
he & R. C. Brut then well knew that said land  
was impressed with the implied trust in  
favor of the heir of John Hunt (dec.), husband  
of Nancy Hunt - from whom they claimed to  
derive title - notwithstanding the fact that they <sup>well knew</sup>  
this all before the time of said sale - they refused  
to disclose said fact to the purchaser George  
Vaubeber & that the failure <sup>by said three</sup> to disclose said  
facts to him then was a fraud upon his rights -  
They will further show your honor that said J. B.  
Hill R. C. Brut denied title to such land as  
Nancy K. Hunt then owned - by will dated  
day of 189, in their favor -

That said will is not specific in the terms  
thereof as to description - & that as he is now has  
recently been informed - the land on the South of  
the Fincastle road is <sup>was</sup> not embraced <sup>by the terms</sup> in said  
will, & that this fact was <sup>well</sup> known to J. B. Hill at the  
time of your Commissioner's sale herein not withstand-  
ing the fact that he did then know it - he failed to dis-  
close this fact to the purchaser George Vaubeber  
& that his failure to disclose said fact to him at that time  
was a fraud upon the rights of George Vaubeber,  
the purchaser at said decretal sale -

Your respondents further charge that notwithstanding the fact  
that <sup>said J. B. Hill</sup> knew all these facts he never disclosed them to your  
Commissioner - so that he could so inform the prospect-  
ing bidders at said decretal sale that his failure  
to do this <sup>together with the fact that on account of same that your Commissioner did not then so announce</sup> was a fraud upon the rights of said George Van  
beber the purchaser -

John Vanbeber

Your respondents will show that none of the facts as to the condition of the title of the said land sold at said decedent's sale - was known to these respondents until after the confirmation of your Commissioner's report herein.

They will further show that Stacey K. Hunt died in the year 1891, in Lee County, Va., on the premises known as the Huston place & same being a part of the land sold in your Commissioner's sale herein; and that the heirs of John Hunt - in whose favor the said trust exists - are now residents <sup>of the state of Va.</sup> and are claiming the land herein mentioned. There are nine of said heirs - viz. - Leroy, Sam, James, John, Floyd, Abel, Sarah & two others whose names are now unknown to him.

Your respondents are of the opinion that the claim of Hunt's is a valid claim & that their title to said land is paramount & superior to the claims of all persons what so ever.

Said claims being valid - there would be great deficiency in the quantity of land stated in (your Commissioner's sale) the contract, of one half of 23 1/2 acres - that to pay off the debt due on the bonds or notes executed to your Commissioner herein - would result in a loss to him of \$875 -

Your respondents are informed that said Stacey K. Hunt - only held a life estate in the land on the South side of main Faircastle road - as mentioned in your Commissioner's sale herein - that even that interest was never vested to the said J. B. Hill & R. C. Brant

Wherefore premises considered - your respondents ask  
that said John Hunt's heirs be made parties defts.  
Hunts required to <sup>answer &</sup> set up title to said land if any they  
have <sup>they</sup> not answer after being duly summoned that  
they further stopped from doing so.  
Defts. say that the <sup>mother of said</sup> said notes issued on in Jeff's  
original bill herein that the notes or bonds or  
annuities due for the purchase money at said decen-  
tal sale herein have at any time since their re-  
spective execution - ownership by said plaintiff or  
his Courts Commissioners herein - been listed with  
the Commissioner of District No. 1 or No 2  
in Lee County - Va. for taxation that District No. 1  
being the district when J. B. Hill Shmed file his  
list or list said notes for taxation that the  
Commissioner in this cause has never listed  
the notes or bonds which he holds for the benefit of  
said Hill as bal. on the purchase price on said  
land for taxation in dist. No. 2 - that being  
the district in which he resides - since their exe-  
cution - that prior to the institution of plaintiff's  
suit herein <sup>defts.</sup> have since learned that the plaintiff  
had never at any time since the execution of said  
notes by said Brent to said Hill - or before the institution  
of this suit or since - listed either of said notes with  
the Commissioner in the district when he the said  
J. B. Hill resides for taxation - that by <sup>his</sup> failure  
to so list said notes notwithstanding he was  
called upon by the Commissioner in said district  
to do so - the plaintiff is not authorized to maintain  
any action either at law or in equity - nor have any  
process issued in connection therewith until he

the said plaintiff first shall have so listed  
them - they thenfor plead only on this fact in  
bar of plaintiffs right to maintain this ac-  
tion or have any process issued in connection  
therewith.

Prunier considered debts ask that they be  
allowed an abatement for a deficiency in  
amount of land sold - if mistaken as to  
plaintiffs right <sup>not</sup> to maintain his action herein on  
account of his failure to list for taxation as herein  
before stated - in the sum of \$875.<sup>00</sup>

+ they further ask for all special <sup>general</sup> relief to which  
they may appear entitled in the premises.

This answer is excepted to because it sets up  
no legal defense to the rule awarded against  
the respondents. The rule of Caveat emptor  
applies to purchasers at judicial sales, and  
the respondents are in fact mistaken as to the  
condition of the title to the land sold.

And the Commissioner, Sewell, has in fact  
listed the purchase money notes for taxation,  
but this does not concern the purchaser.

To the Honorable W. T. Miller, Judge  
of the Circuit Court of Lee County Vir-  
ginia: -

The separate answer of W. G.  
Colson, Trustee, to a bill exhibited against  
him & others in this Honorable Court by  
John B. Hill

Respondent, W. G. Colson Trustee, for  
answer to plaintiff's bill herein, adopts &  
affirms all the statements set out in  
the response of Allie L. Brut to plaintiff's  
bill and makes same a part of his  
response to said bill & further pleading  
denies that on the 24<sup>th</sup> day of January  
1895, his codefendant, R. C. Brut, was the  
owner of the land mentioned in plaintiff's  
bill.

Denies that said R. C. Brut, was then,  
at the time of the execution of mortgage  
mentioned in plaintiff's bill, seized in  
fee-simple of the land described therein  
Denies that at the time of the execution  
of the said note & mortgage to John B. Hill by  
said R. C. Brut & wife, Mr. John B. or J. B. Hill  
had no knowledge or notice either act-  
ual or constructive of said deed's exist-  
ence to A. L. Brut.

Denies that the deed from A. L. Brut  
& R. C. Brut to W. G. Colson Trustee,

was executed with the fraudulent intent of hindering, delaying or defrauding the creditor of the said R.C. Brunt or especially your orator, plaintiff herein. Denies that in fact no consideration passed between the parties.

Denies that the certificate of the acknowledgement of said deed was not correctly dated or that same was dated back for a fraudulent purpose.

Denies that said deed from A.L. Brunt R.C. Brunt to him was fraudulent + void so far as plaintiffs rights are concerned or at all fraudulent void.

Defendant says that his purchase from A.L. Brunt R.C. Brunt was in good faith + that said deed from them to him was executed in good faith + further your respondent charges that said J. B. Hill had full knowledge of the existence of the deed, dated September 1<sup>st</sup> 1894 by which R.C. Brunt conveyed to A.L. Brunt, the land described in plaintiffs bill - at the time of the execution of the deed in trust <sup>or mortgage</sup> by R.C. Brunt wife to said Hill, orator herein.

Respondent now having answered said bill as fully as he is advised it is material to answer the same <sup>and</sup> here expressly denying every allegation in said bill not heretofore denied, explained or admitted he prays

To the honorable W.T. Miller Judge of the Circuit Court  
of Lee County Virginia:

The separate answer of Allie  
L. Brent to a bill exhibited against her and others in this honorable  
Court by John B. Hill.

Respondent knows nothing whatever of the execution and delivery of the  
note mentioned in the bill by her co-defendant R.C. Brent to the said  
complainant, nor does she know anything at all in reference to its just-  
ness, or if the same was executed, and was just whether it has been paid  
or not, therefore she neither admits nor denies said note, and requires  
strict proof of the same. Respondent knows nothing of the execution of  
the deed of trust mentioned in said bill, but she does know that on the  
24th day of January 1895, that her said co-defendant, R.C. Brent, was not  
the owner of the land mentioned in said bill, she therefore denies that  
the said defendant acquired any rights whatever in or to said lands or  
any of them by virtue of said deed of Mortgage.

Respondent denies that by reason of the failure of the said R.C. Brent  
or for any other reason, that the land mentioned in said mortgage became  
vested in said Complainant.

Respondent knows nothing whatever of the institution and prosecution by  
the complainant of a suit against the said R.C. Brent or of the rendition  
of any judgement in his favor, but if such a suit was prosecuted and such  
a judgement rendered, she denies that the same is a lien on the land men-  
tioned in said bill.

Respondent says that it is true that on the 11th day of December 1894  
she had a deed recorded, made and executed to her by her brother the sa-  
id R.C. Brent, by which he conveyed to her the land mentioned in said  
bill, this deed was made to her on the 11th day of September 1894, and  
it is not her fault that it was not recorded sooner, because immediately  
after its execution she sent it to the Clerk's office to be recorded  
and by an inspection of said deed it will be seen that the Clerk marked  
it as filed for record on the \_\_\_ day September 1894, this endorsement, for  
some reason unknown to her has been erased or attempted to be erased,  
this erasure was without her knowledge or consent and in so far as she  
is concerned, utterly without authority. Respondent denies that the said

complainant is a purchaser of said land in the bill mentioned or mortgagee thereof or even a creditor of the said P.C.Brent without notice of this respondent's claim to said land. Respondent will now show your Honor that on the 11th day of September 1894 her brother the said P.C. Brent conveyed the lands in the bill and proceedings mentioned to her. Said conveyance was partly for a valuable consideration and partly as a gift. He was then indebted to your respondent about \$390.00 or \$400.00 for money theretofore loaned to him. She denies most emphatically that said deed was made and executed for the purpose of hindering, delaying and defrauding the creditors of said P.C.Brent in the collection of their debts. She denies that <sup>the said</sup> P.C.Brent was then indebted to the said complainant or to any one else. It is true that a part of the consideration which moved the said P.C.Brent to convey said land to her, was natural love and affection and she fails to see how any one was injured thereby as her brother at that time owed no debts and he had a right as she is advised to do as he pleased with his own property. No fraud was thereby perpetrated or could have been perpetrated on the complainant as the said P.C.Brent was in no way indebted to him then, even if he is now which she very much doubts, and she avers that the said complainant had full and complete actual notice of the conveyance to her bearing date on the 11th day of September 1894, at the time he took his mortgage or pretended mortgage. Respondent positively denies the allegation in said bill that the deed to her of 11th of September 1894 was without her knowledge or consent. She likewise positively denies the allegation that said ~~bill~~ deed was never delivered to her. On the contrary the deed was made to her after full consultation between her and her brother to repay to her the sums which she had theretofore loaned him and to secure to her this property her brother knowing that she was fatherless and motherless and much more needy than himself. After said deed was executed she directed her brother to deliver it to E.W.P.Ewing and Geo. W.Blankenship to be by them carried to the Clerk's Office for recordation.

Respondent admits that it is true that on the 11th of December 1896 there was recorded a deed from herself and her brother P.C.Brent

to W.G. Colson, Trustee, for said land she denies that this deed was executed with the fraudulent intent of hindering, delaying and defrauding the creditors of the said F.C. Brent or any of them. Said deed was executed by her in good faith and in accordance with a contract theretofore made between her and Mr. Colson by which she sold said land to him.

He paid her down a part of the purchase price and she expects him to pay her every cent of the residue and she knows he will do so unless her cousin, the complainant, in this suit defeats her just claim to said land and the proceeds of the sale thereof. She knows nothing whatever of the charge made in said bill was not correctly dated.

Respondent now having answered said bill as fully as she is advised it is material to answer the same and here expresses denying every allegation in said bill not heretofore denied explained or admitted she prays to hence dismissed with her costs

To the Honorable Judge of the Circuit Court of Lee County Virginia

The separate answer of R.C.Brent to a bill exhibited against him and others in this Honorable Court by John B.Hill.

Respondent saving the benefit of all proper exceptions which may be taken to said bill for its many errors of law and misstatements of facts for answer thereto says that it is true that he made and executed the mortgage and note in the bill mentioned, but at the time he did so he was not the owner of the land or any part of it described in said mortgage. Before that time to-wit: on the 11th day of September 1894, he had for good and valuable consideration, conveyed said land to his sister A.L.Brent. The fact of this conveyance was well known to the plaintiff at the time of the execution of said mortgage.

Respondant denies that he executed said deed for the purpose of hindering, delaying or defrauding his creditors either then existing or in future contemplation. He denies any intention of defrauding the said Complainant, for at that time he did not owe him one cent, nor did not contemplate becoming indebted to him in any way.

Respondent made said deed in good faith to his sister, he was then indebted to her in the sum of between \$390.00, and \$400.00 for money which he before that time borrowed from her, and at the time he made said conveyance he was a single man, with no one dependent upon him, except his only sister the said Allie, and he was desirous of securing her from want and dependence, and as before stated he was not then indebted to any one except the said Allie, and then thought and still thinks he had a right to do with his own as he saw proper. Respondent further says that after the acknowledgement of said deed, at the request of his said sister he delivered said deed to the ~~XXXX~~ E.W.E. Ewing and Geo.W. Blankenship to be by them delivered to the Clerk of the County Court of Lee County to be recorded, that he thought the same was recorded at once that the said Ewing and Blankenship promised to have it recorded, that said deed has endorsed on it, as of the \_\_\_\_ day of September 1894, "filed for record". This he is advised is equal to and actual spreading upon the deed book, and amounts to constructive notice to the said Hill and every one else that said deed existed and was recorded, but however this

may be, respondent again asserts that said Complainant had full knowledge of the existence of said deed of the 11th of September 1894.

Respondent denies that he has any right or title to said land, he denies that he has any interest in it, he denies that said deed to the said Allie L. Brent was made with any fraudulent intent whatever, he denies that the deed of himself and his sister to W.G. Colson was made for the purpose of hindereing, delaying or defrauding his creditors or any of them, at the time of the making of said last mentioned deed he had no interest whatever in said land and only joined therein at the request of the said Colson. Respondent here again expressly denying all fraud al collusion and all attempts to in anyway hinder or delay the complainant in the collection of his debts he prays to be hence dismissed with his costs.

Did you ever have a conversation with J. B. Hill, the plaintiff in this case & about said deed?

Ans. I did.

Ques. 13. When was said conversation? Ans. It was a short time after I learned of the execution of said deed of R. C. Brent to Allie Brent.

Ques. 14. Please give the conversation between you and Mr. Hill---tell what was said?

Ans. Mr. Hill approached me to know if I had any deed of trust or mortgage against the land of R. C. Brent. I told him I did not. I further stated to him that R. C. Brent had conveyed his land to his sister--Allie Brent. And he replied that he knew that, but he further said that said deed had never been recorded, and that he did not ask that any odds. He said the reason why he asked that he was afraid I had something against it. He further stated that R. C. Brent wanted him to let him have some money--

I told him that it was his risk, as he very well knew that the land was conveyed to Allie. My recollection is that he told me in the same conversation, that he had seen the deed at Jonesville, or *said deed was in file in county clerk's office of that place.* that he knew of the fact that ~~it~~ had not been recorded.

Ques. 15 Was this conversation before you learned of the execution of a deed of trust or mortgage by R. C. Brent to J. B. Hill ?

Ans. It was before.

The above question 15 and any answer thereto is immaterial and irrelevant--for here because no time is shown at which *said* conversation was held, if any such was held--therefore objected to--it being immaterial as to when said witness heard of said deed of trust or ~~xxxxxxx~~ mortgage--B. for plaintiff.

Ques. 16. When was this conversation between you and Mr. Hill before detailed ? And where ?

Ans. It was in the fall after the execution of said deed, and at my house. The deed from R. C. to A. L. Brent.

Ques. 17. Did any one come to your house with J. B. Hill, if so, who ?

Ans. Yes, R. C. Brent. Bob was wanting money, and Mr. Hill asked me what about letting him have money. This was a short time--some time--before I learned that J. B. Hill had let Bob have some money and took a deed of trust. I understood from both Mr. Hill and Bob that Bob wanted to borrow money.

Ques. 18. You are the same party to whom the deed from Allie Brent to W. G. Colson, Trustee, was made, are you not ?

Ans. I am.

Ques. 19. Was said deed made to you in good faith ?

Objected to because inadmissible--any answer thereto could merely be an opinion or conclusion of the witness, who is an interested party--it being only proper for said witness to state the facts, and the conclusions for the court from the evidence--Blackenship, for Plaintiff.

Ans. It was.

Ques. 20. Was the said deed made for the purpose of a fraudulent intent to hinder, delay, or defraud, the creditors of R. C. Brent, or J. B. Hill ?

Objected to because leading and suggestive, and therefore inadmissible---Plankenship, for P'ff.

Ans. Not that I know of.

Ques. 21. Was A. L. Brent indebted to any one at that time ?

Ans. She was not to my knowledge.

Ques. 22. Was R. C. Brent indebted to J. B. Hill at the time of the execution of the deed from him to J. B. Hill ?

Ans. None that I know of.

Ques. 23. Was R. C. Brent indebted to A. L. Brent at the time he made said deed to her, Or before?

Ans. I understood from the parties he was.

Objected to because hearsay and self serving, and inadmissible. Plankenship, for Pl'ff.

Ques. 24. How much ?

Ans. About \$400.00.

Brent ~~in~~ and that he did not ask said deed any odds, and that during all this conversation, the said R. C. Brent did not say anything about the deed to A. L. Brent?

Ans. She wanted to know if the deed was still there.

Ques. 12. What did you do with said deed after you looked at it in the clerk's office?

Ans. I do not know of anything else--R. C. Brent was only a figure head in the matter anyway.

Ques. 20. How much and when and in what way did you pay for said land, and to whom ?

Ans. I have not paid for it all--the deed recites the ~~conveyance~~ <sup>agreement</sup> agreed on. I think I have paid about \$175.00, executed a note for the remainder, to Allie Brent--I can not remember the time when it is payable, either one or two years.

Ques. 21. Is or was there any other agreement, written, or verbal in regard to the sale of said land, if so what, and who holds said writing ~~xx~~ if in writing, if not in writing who witnessed said agreement if any was made ?

Ans. I guess he did near about that time.

Ques. 2. Did he or not <sup>R. C. Brent</sup> farm much during the time he was in the saloon business?

Ans. I do not know, I did not pay much attention to the farming.

Ques. 3. How long after Bob told you that he had executed the deed to you was it before he told you he owed you the timber item ~~xxx~~ heretofore spoken of by you?

Ans. No, Sir, I do not.

Ques. 5. Did not R. C. Brent simply tell you that he had paid Blankenship and Ewing ~~xxxxxxx~~ to write and take the acknowledgement of said deed, and that he conveyed them up to Ewing Depot from Walnut Hill for doing so?

Ans. He made me the deed in 1894 and got the tan bark in 1895.

Ques. I. Do you know the exact date when the tan bark was taken off of your land, of your own knowledge? What year.

Ans. I do not know, it was in the year 1895 to the best of my knowledge. That may be the right date, and it may not, any way I think it was while I was in Lexington, and that was in 1895, or 1896.

The depositions of William Hoskins A.S. Jennings C.W.  
Nash, A.H. Davis, J.B. Hill, James W. Orr, Cy. Campbell  
Glenn E. F. Richmond taken at the Office of Orr & Blankenship, in

the town of Jonesville on the 14th day of February 1893, before-----  
N.A. Baker a Justice of the Peace in and for said County, which  
depositions are intended to be read as evidence in behalf of the Plain-  
tiff in a certain suit in equity now pending in the Circuit Court of  
Lee County, in which J.B. Hill is plaintiff and R.C. Brent and others are  
defendants:

Present J.B. Hill and B.H. Serrel and Orr & Blankenship his Attornies.

" W.G. Colson and C.T. Duncan Attorney for Defendants.

William Hoskins a witness of lawful age being duly sworn deposes and sa-

Quere. 1. State whether or not you are acquainted with the parties to  
this suit

Ans. I am.

Quere. 2. State whether or not you ever heard R.C. Brent or Allie Brent say  
anything in regard to a deed made by the said R.C. Brent to him, con-  
veying certain lands and other property to him, and if so state what  
they said, and when and where it was?

Ans. At one time R.C. Brent asked me to go and see J.B. Hill for him and  
tell him to come down to the depot and see him, and that he would make  
him a good deed to the land if he would pay him \$600.00, he went on to say  
that the deeds he had made were a fraud or a swindle, I do not now re-  
member which words he used. This was some time last spring, I cannot re-  
say what month it was. This conversation occurred south of my house in  
the state road. He made no statement to me of any particular deed.

So much of the foregoing answer as undertakes to state what was said by  
R.C. Brent in reference to deeds made by him being a fraud or a swin-  
dle, or as to his willingness to convey lands to J.B. Hill, is objected to  
to both by Allie Brent and W.G. Colson, because not made in their presence  
and any statements made by him after he had conveyed away said lands ca-  
cannot affect his vendee.

Duncan for said Defendants

Quere. 3. State whether or not, you ever heard R.C. Brent or Allie Brent  
state anything in regard to a deed, made by them to W.G. Colson Trustee,  
and if so state what they said and when and where it was? And state in

in answering this question whether or not they were speaking of the deed made by them to W.G.Colson trustee or of the deed made by R.C.Brent to the said Allie Brent, or in regard to both of said deeds?

The foregoing question and any answer thereto is objected to by Allie Brent ~~XXX~~ as to any statement made by the said R.C.Brent, if any, as were not made in her presence, if said statements were made after the date of the deed to her from said R.C.Brent. And said question and any answer thereto are objected to by W.G.Colson Trustee, because he can not be affected or his rights prejudiced by statements made by his vendors after the conveyance to him.

Duncan for defts.

Ans. At the same time and place stated in my answer to the foregoing question, R.C.Brent said he had written to W.G.Colson two or three times for money, and that said Colson had not even answered his letters, and he said the deeds that he had made were a fraud or a swindle (as before stated) and that he wanted me to tell J.B.Hill to meet him at the depot and that he would make him a good deed to both the lands if he would give him \$600.00. He did not specify any deed to which he referred. He did not mention any deed to Allie or to Colson. From what ~~EEEE~~ he said he said I inferred that he was speaking of the deeds to Allie and to Colson.

of the witness

The inference <sup>as to what said R.C.Brent meant, or the deeds that he referred to</sup> is objected to by the defendants, because the witness can only state what was said by the said R.C.Brent, and cannot state the inferences which he drew from it, it is for the Witness to state facts and the courts or juries to draw inferences.

Duncan for Defendants.

H. S. Jennings, another witness of lawful age being first duly sworn deposes as follows:-

Ques. 1. By Counsel for Plaintiff.

Are you acquainted with the parties to this suit?

Ans. I am.

Ques. 2. State whether or not you ever heard R. C. Brent and Miss A. L. Brent say anything in regard to a deed made by R. C. Brent to A. L. Brent, and if so, state what they said about it, and when and where was it?

Ans. I have heard R. C. Brent speak of it often and at different places. At one time at my house I heard Miss A. L. Brent say that she knew nothing in the world of the deed that her brother R. C. Brent had made to her. I do not remember the day and date, but it was after the attachment suit of Hill against Brent was instituted. I have heard R. C. Brent say different times that he had deeded the land to his sister A. L. Brent to beat a just and honest debt. He told me that he aimed to beat Brent Hill's debt by making the deed to A. L. Brent. He talked to me both before and after the levy of the attachment. At the time I levied the attachment R. C. Brent said to me that J. B. Hill might beat him on the attachment, but that he would beat him on the deed of trust.

The foregoing answer is objected to by W. G. Colson because he can not be affected in any way by statements made by his vendor's after the conveyance to him--Duncan, Attorney for W. G. Colson.

Ques. 3. State whether or not you ever heard R. C. Brent, Miss A. L. Brent, or W. G. Colson say anything in regard to a deed made by the said R. C. Brent and A. L. Brent to W. G. Colson, Trustee; and if you heard any of said parties speak in reference to said deed, please state what it was, and when and where was it?

Ans. I don't know that I ever heard Mr. Colson mention it, but I heard R. C. Brent say that he had deeded this land to his sister for the purpose of beating Brent Hill out of a just and honest debt. I never heard either one of them mention the deed made to Mr. Colson, Trustee.

So much of the foregoing answer as details what R. C. Brent made

about the deed of himself to Allie Brent

is objected to by W. G. Colson and Miss Allie Brent, because no statement made by said ~~xxxxxx~~ R. C. Brent after the execution of said deed could in any way affect or prejudice the rights of his vendee, and because any statement made by said Brent after he had made said deed as to the purposes for which he made it, is in-admissible for any purpose----Duncan, ~~for~~ *for* ~~the~~ *the*.

Ques. 4. State ~~xxxxxx~~ whether or not you ever heard R. C. Brent or Miss A. L. Brent say anything further in regard to debt R. C. Brent owed J. B. Hill, or in reference to deed to Allie Brent or W. G. Colson, Trustee?

Ans. I never heard ~~xx~~ Allie Brent say anything more about the deed than I have told you heretofore. R. C. Brent told me that Mr. Colson had not treated him right and he was going to join Brent Hill in a suit and beat him--said that he made that deed to <sup>Allie Brent</sup> ~~xxxxxx Colson~~ to beat a just and honest debt.

Cross-examined

Ques. 1. Was either Allie Brent or W.G. Colson present at any time when R.C. Brent had any of the conversations to you which you have detailed?  
Ans. They were not.

Ques. 2. Was either R.C. Brent or W.G. Colson present when Miss Allie Brent told you she knew nothing of the making of said Deed to her?  
Ans. No, Sir, neither of them was present.

Ques. 3. State as nearly as you can, when it was that Miss Allie Brent had said conversation to you?

Ans. I can not state it with any certainty, but it was after I had served the attachment of ~~R.C. Brent~~ J.B. Hill against said R.C. Brent.

C. W. Nash, another witness of lawful age, being duly sworn deposes and says:-

Ques. 1. Are you acquainted with the parties to this suit?

Ans. I am.

Ques. 2. Did you ever have a conversation with R. C. Brent in reference to a deed made by him to A. L. Brent, and a deed made to W. G. Colson, Trustee, by him; the said R. C. Brent and A. L. Brent, or in reference to any part of the said transaction, if so, when and where ~~xx~~ was it, and what did R. C. Brent say about it?

Ans. In last April R. C. Brent came to my store on Sunday, and we had a conversation, he said that Mr. Colson had not treated him right and he says I am going right now to sell my land to Brent Hill, and ~~xxxxx~~ further said, I owe Brent Hill some money--its an honest debt--and I want him to have his money. He asked me to go with him. I did not go.

The foregoing answer is objected to by Allie Brent and W. G. Colson as to any statement made by the said R. C. Brent as to a sale of his land or as to the justness of the said Hill's debt--Duncan, for etc

Ques. 3. Did you ever have a conversation with Miss Allie Brent in regard to a deed made to her by R. C. Brent, if so, when and where was ~~it~~ it, and what did she say.

Ans. I had a conversation with her, but don't just remember that date, any way it was a short time before she went off, and I think it was in last November or December. She was at the P. O. at Gibson's Station, and she and I were going from the office towards Jerry Wireman's house; and I asked her when she would be back and she said she expected she would have to be back in March in the land suit between herself, Brent Hill and others. She said her brother Bob gave her that land and that she would have been foolish not to have taken it.

Ques. 1. Was W. G. Colson present when Miss Allie Brent had the afore-said conversation.

Ques. 1. Are you acquainted with the parties to this suit?

Ans. I am.

Ques. 2. Did you ever have a conversation with R. C. Brent in regard to his indebtedness to J. B. Hill, and his making a deed to his sister, Allie L. Brent, or in reference to any of these matters, if so, state when and where it was, and all that he said about them?

Ans. He and I were going along the road near Clint Campbell's toward Mr. Mays' and he got to talking about what he owed Mr. Hill, and he said he owed Mr. Hill some \$750.00 borrowed money--best I can recollect--he said Frank, I will tell you something if you will never tell it, and said I can beat Brent Hill out of a \$1000.00, or I am going to beat Brent Hill out of a thousand dollars, don't remember just which he said but it was one or the other---he said I have done deeded my land to Allie Brent my sister--said I have a sister that stands to me--whatever she has I consider mine. This was a little over a year ago, or about a year ago--do not remember exact date. Some little time after the above conversation he came to my house--I think it was after--that is my recollection now that it was after--and he said he needed some money, said he was going to see Brent Hill and sell out to him--said he was going to run a meat ex house or restaurant at Knoxville and needed some money---and came back by my house and said he did not trade with Mr. Hill, that Hill would not give him what he asked for his land, and he guessed they would not trade.

Objection--The foregoing answer is objected to as evidence by Miss Allie Brent and W. G. Colson--because made after the conveyance to them and can in no way affect their interests--Duncan, for, etc.

-----J. B. Hill, another witness of lawful age, being duly sworn, deposes and says:-

Ques. 1. By Counsel for Plaintiff.

Are you the Plaintiff in this suit. Ans. I am.

Ques. 2. State whether or not R. C. Brent was indebted to you in any sum on the 11th day of September 1894, and if so, state how much he was indebted to you?

Ans. He was indebted to me at that time in the sum of \$594.24, by note bearing date Dec. 12th 1893, and he owed me an account besides amounting to some \$106.00, account and note amounting in the aggregate to the sum of \$501.00. This is the amount ascertained by settlement made between myself and R. C. Brent soon after, and this amount was due and unpaid to me on said date.

Ques. 3. State whether or not the said R. C. Brent was indebted to you

in any sum of money on the first day of January 1895, and if so, state how much he was indebted to you? And whether the same was evidenced by note or not?

Ans. Yes; Sir; he was indebted to me on that date in the sum of \$727.00 and gave me his note for it. This indebtedness was made up of the \$500.00 above spoken of and \$227.00 in cash I let him have on that day. When we settled as before stated he owed me on settlement \$501.00 but he asked me to make it even money and I did so giving him off the one dollar and making the total sum due me \$500.00, on the settlement.

Ques. 4. State whether or not the note sued on for \$727.00 and filed as an exhibit ~~xx~~ with your bill marked "A" is the note you refer to, and state whether or not you took any steps to have said note secured in any way, and if so, how did you get the same secured, and state further whether or not the said note is still due and ~~unpaid~~ unpaid to you?

Ans. The note filed as exhibit "A" with my bill is the note referred to; he gave me a mortgage on his land to secure the note--said mortgage is exhibited with my bill marked "B." Said note is still unpaid and is just due to me.

Ques. 5. Is R. C. Brent indebted to you in any other sum, and if so, ~~xx~~ what and how evidenced?

Ans. He is indebted to me in the sum of \$531.13 and the costs of attachment suit in which I obtained judgement against him in the Circuit Court of Lee County, Virginia, and which judgment is exhibited with said bill marked "C." Said judgement is still due and unpaid to me.

~~Ques. 6. Does he owe you any other sum, and if so, how much, and when contracted?~~

~~xxxx The foregoing question and any answer thereto is objected to because it is not responsive to any allegation in his bill--Dun~~

Ques. 6. At the time of the execution of mortgage by R. C. Brent and wife--Marth Brent--did you have any knowledge of the deed from R. C. Brent to A. L. Brent for said land?

Answer. No, Sir, I did not know anything about it.

Ques. 7. Did R. C. Brent at the time give you any information in regard to said deed, or mention the matter in any way?

Answer. He did not.

Ques. 8. Who was in the possession of the land at the time you took the mortgage?

Ans. R. C. Brent, was living ~~on it~~ *at the Brant houses on it* and cultivating the land. The Brant houses are on one parcel of the land, and he did so control it for that year--1895, and also for 1896.

Ques. 9. Were you acquainted with the personal property mentioned in the deed from R. C. Brent to A. L. Brent, and if so, please state what was its fair cash value at the date of said deed? And also what became of said property, if you know?

Ans. I was acquainted with said personal property, and I consider its fair cash value at the date of said deed to be for the horses and mules ---9 head--\$40.00 per head--\$360.00, at least; and the wagons--3--worth \$20.00 each--\$60.00; and his farming tools worth at least \$15.00; and the yoke of oxen \$40.00; and the young heifer--\$10.00; and his growing crop--I hardly know what to say; but think it worth \$50.00; and his household and kitchen furniture he turned that over to me last April at the price of \$54.00 in settlement of some he owed me and some debts I assumed to pay for him--as for his notes and debts I know nothing about them. This property remained in the possession of the said R. C. Brent after September 11th 1894, and he used it and disposed of it, he told me of selling and trading part of it himself. He told me he got \$60.00 for the oxen--he told me he sold one of the wagons to Menly Fugate and I think he said he got \$25.00 for it--he told me he swapped the black mules to Dan Littrell for a horse--he told me swapped one of the other mules to a traveler for \$12.00 and a cook stove. He fed his crop out to what stock he had and hauled it off to Middlesboro.

I do not know what he done with the heifer and the other two wagons.

Ques. 10. Did you ever have any conversations with R. C. Brent with reference to the deeds to A. L. Brent and W. G. Colson, Trustee, or in reference to yours and his matters here in controversy, if so, please state when and where ~~xx~~ it was, and what he said?

The foregoing question and any answer thereto is objected to by W. G. Colson and Miss Allie Brent because their interest can not be affected or prejudiced by any statements made by the said R. C. Brent since the conveyances made by him to the said Allie Brent and to the said W. G. Colson, Trustee--Duncan, for etc.

Answer. I had a conversation with him in regard to the Allie Brent deed (in the latter part of May 1896, at my house--he had talked to me before about wanting to borrow some money--said he owed a note at the bank and wanted to pay it off--he come to my house to see if I would let him have the money--I told him I did not want to let him have the money, and he asked me why, and I told him he had made Allie a deed to all that he had, and if I let him have it he could take part of the money that I let him have and have the deed recorded and put me to trouble and probably cause me to lose the debt, and he said to me, you need not be afraid, that deed is not worth a dam, and added I would be a pretty fool to make Allie a deed to all I had, and he said raising his hand, if there is honor in my body, I will write to Sam Richmond and let him send me the deed and I will tear or burn it up before you. A short time after that I saw him and asked him if he had ever got the deed, and he said not, I have not, and asked me when I was going to town, I told him I guessed I would be up there in a few days, and he says you go ~~xx~~ and get the deed out of the Clerk's Office--I came to town and asked the Clerk for the deed ~~xx~~ and he, the Clerk, told me Gil Colson ~~xx~~ had took it out of the office. After I went back I told R. C. Brent that Sam Richmond, the Clerk, said Gillis Colson took the deed out of the office, and he says that's alright, its no account no way--that is about all we talked about at that time. Last Spring I heard him talk about both deeds--I went down about the Brent place and met up with R. C. Brent down there about the time I got ready to start back, and he said he was coming up about the store and asked me if I was going up the road, and I told him yes, about that time Wm. Hoskins called to me, and I stopped to talk to him and R. C. Brent went on up to the store, and Hoskins and myself soon went on up there, and there I met up with R. C. Brent again, and he told me he wanted to sell me his land. I told him, Bob, you can't make me a good deed to it, unless you get Allie and Gillis Colson to sign it with you, and said further to him I did not want to buy a law suit, and he said to me, I know what I am talking about, and if you will give me \$600.00 and what I owe you, I will make you a good deed to my land. I asked him how he could make me a good deed with Gillis and Allie and Marth signing it, and he replied he was not married to Marth, and added them dam deeds are just a fraud to beat my just and honest debts. He then asked me when I would be ~~xx~~ down again--said he wanted to go out in the ridges a peice. He insisted on me coming down and I finally promised to meet him at Neil Jennings next morning. I went down to Jennings' next morning and R. C. Brent came pretty soon after I got there. He said to me if I wanted his land ~~xx~~ I had better be talking up, and I told him that I did not want to buy it unless he could get Gillis ~~xxxx~~ Colson and Allie Brent to sign the deed and he said those deeds were all dam frauds, and that if I wanted his land for what ~~xx~~ he owed me and \$500.00 I could have it. At another time he wrote me a note to come down there that he wanted to see me on particular business, I went down, the land subject was raised again, and I told him I could not buy the land unless they would all sign the deed, and he says I don't see why, I could not make you a good deed, its all fraud, and added that he got mad when I attached the land and that he and Allie made Gil Colson that deed to beat me. I told him I had seen a lawyer that day--Judge Orr--and that he had advised me not to buy the land unless they would all sign the deed--he, R. C. Brent then asked where Orr was and said that he wanted to see him--said he would get on the train next morning and go and see Orr. I told him Mr. Orr was intending to stay all night at Mr. M. S. Ball's. I told him where I would be next day and told him to stop with me as he came back from Ewing if he went up there to see Judge Orr--he came to where I was next day ~~about~~ and said he had been to see Judge Orr and

and had talked with him--this was about the middle of April 1897, to the best of my recollection. I asked him what Judge said and he replied about what I had told him. He then said to me--Can't I join you in a suit, me and Allie will both swear that the deed was made to beat you in the collection of your debt. I told him I supposed he could, that I did not know much about law--he said Orr told him I could. He said I have got to have something out of my land--that was a damned fraud and that he was not going to give Gil Colson his land for nothing. He got off a few steps from me and asked me what would I give him of my land besides what he owed me--and I told him I had offered him \$1800.00 for his land and that I thought that was about all it was worth and he said he would take \$1700.00 for it and I told him if he would make me a good deed I would give him the \$1700.00, and we parted at that. In a few days after that I saw R. C. Brent and asked him if he had ever seen Colson and he said yes, he had, and said he asked Gillis for some money and said if he wanted any money he could go down and turn it. I told him then I could not fool with the land unless they would all sign the deed, and he said he was going to write to Allie and he wrote a letter and showed it to me, and stated in the letter to Allie that she knew the deed was fraudulent and done to beat me, and he got an answer from Allie, but she did not answer any of his question and I told him I would have nothing to do with the trade further, and that I would let the suit go on and try to collect my debt. He then said he was going back to Knoxville, and said though that he would join me in the suit, and that he would be up here the first of June at Circuit Court. He then went off and I never saw him any more.

In addition to the objection to the question to which the above is an answer the defendants object to the statements of S.V.P. Richmond, Clerk, James W. Orr or any other person, the same being hearsay. And they further object to the statement of what was contained in the letter of R.C. Brent to Allie Brent or of Allie Brent to him because the said letters are the best evidence as to what they contain.

Duncan, for &c.

Ques. 11. At the time that you say you called at the Clerk's office by direction of R. C. Brent for the Allie Brent deed and was informed by the Clerk that Mr. Colson had taken it out of the office, did you then ascertain from the Clerk whether or not the deed had been recorded? Ans. I asked the Clerk if said deed had been recorded and he informed me that it had not.

Ques. 12. When did you first learn or have knowledge of the deed from R. C. Brent to A. L. Brent, his sister?

Answer. It was in the Spring or early part of the Summer of 1895, at the Clerk's Office, when I was paying the Clerk for recording my mortgage, that he informed me of the Allie Brent deed. That is the first I ever knew of it. The Allie Brent deed had not then been recorded.

Ques. 13. Did you ever have any conversation with A. L. Brent in reference to the deed to her or the one to W. G. Colson, Trustee, if so, when and where was it, and what was said?

Answer. Soon after I found out about the deed as spoken of above at the Clerk's Office, A. L. Brent came to my house, and I was telling her about it, and she replied, ah, you know he has not done that, and I told her ~~xxxxx~~ yes, there was a deed up there to her from R. C. Brent, and that the consideration was \$1700.00, and she replied you all know that I never had that much money in my life, said she only had what money her aunt Nan had given her--she said Bob had better sell his land and pay his debts. Sometime after that she was up there again and talked about the same talk. All the talk I ever had with her about the Colson case was when I said to her that I had understood she and Bob had made Mr. Colson a deed and she replied that what she and Colson and Bob done was their own business. Sometime last Fall I said something to her about the deed from Bob to her and she just replied that Bob gave her the land and she would have been a fool if she had not taken it.

Cross-Examined.

Ques. 1.--You state in answer to question no. 2. that R.C. Brent was indebted to you on the 11th day of September 1894 in a note for \$394.25 bearing date 12th day December 1893 and that he owed you an account of sales amounting to ~~the sum of~~ <sup>Saved</sup> \$106.00. Please state where said note is? What it was executed for, and what was the items composing the \$106.00?

Ques.--Was not said note originally dated on the 3rd day of January 1891? And has it not been since changed by putting in "1st" in a different kind of ink?

B.M. Seywell and Orr & Blank insip for plff.

Ques. -- Please state if those hand-writing said "1st " is ~~in~~ and if it is not in a different ink to that in which the name "R.C. Brent" is in?

Ans.--I can't tell in those hand--write it is unless it is mine. I can't tell whether it is in different ink. It looks deeper, like it is a heavier stroke of the pen or something.

Obj.--The foregoing question and answer are objected to because of the reasons above stated. The defendant having admitted the due execution of the note, no inquiry can be gone into.

At the time of the execution of the mortgage or before it was executed did not R.C. Brant tell you that before that he had executed a deed by which he had conveyed his land to his sister, Allie Brant?

Obj.--The foregoing question is ~~stated~~ because no place is stated.

objection to

Ans.--No sir, he never did.

Quest.--Where was said mortgage executed, that is, where was it signed by R.C. Brent, and where was it acknowledged by him?

Ans.--At the Brent place in the Brent house.

Quest.--Now, on the day said deed was acknowledged, to wit, on the 26th day of January 1898, or on the 21st day of January 1898, the day said mortgage bears date, at said Brent place, in this County, did not R.C. Ans.--No sir.

Quest.--Was W.G. Colson ever present at any of the conversations to which you have testified as occurring between you and Miss Allie Brent?

Ans.--No sir, I think not.

Quest.--Were you not examined as a witness in your own behalf at the March term, 1897, of the Circuit Court of Lee County, in the trial of the attachment case against R. C. Brent, and in that trial did you not testify that at the time you took your mortgage you knew of the existence of the deed of R. C. Brent to Allie Brent, but that you did not ask it any odds, or words to that effect?

Answer. I was examined as a witness in the trial of that cause. I did not testify that at the time I took my mortgage that I knew of the deed from R. C. Brent to Allie Brent, and that I did not ask it any odds, or words to that effect. ~~xxxxxxx~~

Quest. You did ~~xxxxxxx~~ know, did you not of the existence of said deed when you let R. C. Brent have the money constituting the indebtedness for which you obtained the judgement against the said Brent at the March term 1897, of the Circuit Court of Lee County?

Answer. I did sir, but on the strength of what both Bob and Allie told me I let him have the money--thinking there was nothing in the deed.

Quest. A short time before the execution of the deed of trust or mortgage and about the time or just before you let R. C. Brent have the \$227.00 to which you have testified, and which is included in the \$727.00 note, did not you and R. C. Brent go in company to the house of W. G. Colson and was not the fact of ~~him~~ having made the deed to Miss Allie Brent talked over by and between you and the said Brent and W. G. Colson?

Answer. No, Sir. Bob and myself went there one time together, don't remember the time, Bob said he wanted to borrow some money from Gil., and they, Bob, and Gil. talked together not in my presence--don't think I got off of my horse, as best I remember, Bob and myself went on from there together to Middleborough, Bob said he had an order from Gil to Fitzpatrick in Middleborough.

Quest. Was not that just a short while before you let Bob Brent have said \$227.00, and on that occasion did not you at Mr. Colson's home take him, Colson, out and have a private conversation with him, and tell him that Bob Brent was wanting to borrow money from you, and further tell him that Bob had conveyed his land to Allie, and ask his opinion about it?

Answer. No, Sir, I did not.

Quest. And in the same conversation and at the same time and place did you not ask Mr. Colson if he had anything against R. C. Brent's ~~land~~ land?

Answer. No, Sir, I did not.

Quest. At the time you were creating these debts mentioned by you and now claimed as being due to you from R. C. Brent did you not know that he had got money from Miss Allie Brent, which was still due to her and which he was paying or settling in the land conveyance to her?

Answer. No, Sir, I did not. I did not know he was indebted to her.

Quest. Did Miss Allie Brent never consult you about letting R. C. Brent have money and about the sums that he owed her?

Answer. I have heard Allie say Bob owed her seventy-five cents or a dollar, or something like that. No, she never consulted me about her letting Bob have money, or about any sums that he owed her.

Quest. Has the tract of land devised by Nancy K. Hunt to you and R. C. Brent ever partitioned between ~~xxxx~~ you?

Answer. No, Sir.

Quest. Who was in possession of your part or interest in said land for the years 1895-6?

Answer. The land was temporarily divided for the two years--1895-6, that is on the South side of the road. I was in possession of my part during those years according to the temporary partition.

Quest. Do you know whether he was paying Allie rent for it or not?

Answer. No, Sir.

Quest. Has the land which was owned by Allie and Bob and which descended to them from their mother ever been partitioned between them?

Answer. Not that I know of.

Quest. Do you know under what arrangements the said R. C. Brent used and cultivated that parcel of land for the years 1895 and 1896?

Answer. If I am not mistaken that land was rented to Rolly Dingus in 1895, and in 1896, Bob sowed it in oats. I don't know about Allie's and Bob arrangements.

Quest. In answer to question 9 you have given an estimated value of the personal property embraced in the deed of R. C. to Allie Brent in separate items, now, will you please state what that aggregate value is if you have added up the separate items which you have given?

Answer. \$839, but I am satisfied that said personal property was really worth more than my estimate of it.

Quest. Did you know of Miss Allie Brent selling or getting the use of any of said ~~xxxxxxxxxx~~ personal property named in said deed?

Answer. No, Sir, I did not.

Quest. What was the fair cash value on the 11th day of September 1894, of the land or interest in land <sup>conveyed</sup> by R. C. Brent to Allie Brent?

Answer. I think \$1500.00 a reasonable fair cash value.

#### Re-Examination.

Quest. 1. At the trial of the said attachment case of yourself vs. against R. C. Brent above referred to, state whether or not the said R. C. Brent was sworn and examined as a witness in said case for himself?

Ans. He was.

Quest. State whether or not the said R. C. Brent in testifying in said attachment case testified in the presence of W. G. Colson that he then owned all of his land and had not conveyed any of it to any one--including the land here in controversy?

~~xxxx~~ Objected to by all of the defendants, because irrelevant and immaterial, and because his testimony on that trial can only be used for the purposes of contradicting him should he make a different statement at some other time---Duncan, for, etc.

Answer. He did.

And further this deponent saith not.

*J. B. Hill*

James W. Orr another witness of lawful age being duly sworn deposes and says:

Ques. 1. Are you acquainted with the parties to this suit?

Ans. I am acquainted with J.B. Hill R.C. Brent and W.G. Colson, I have seen Miss Allie Brent, I am not acquainted with Martha Brent.

Ques. 2. State whether or not you ever had any conversation with R.C. Brent in regard to a deed made by him to Allie Brent or a deed made by him and Allie Brent to W.G. Colson trustee, and if so when and where was it, and state what the said R.C. Brent said in regard to said deeds?

Ans. Some time last spring probably in April, I went in company with H. C. Joslyn to the neighborhood where W.R. Boles lives, he for the purpose of viewing a road, and I for the purpose of looking at some land and timber owned by A.M. Goins and myself, we staid all night with said Boles, the next night we came back to M.S. Ball's and staid all night, next morning we started home traveling in a pack drawn by mules, and at or near Emp Virginia, just after the train had passed up the road, we met R.C. Brent and he stated that he wanted to see me, and I got out of the pack and we stopped to one side, and he commenced talking about his and Mr. Hill's matters, he stated that he had sold or thought he could sell his lands to Mr. Hill for a price that would leave him about \$400.00 over and above what he owed Mr. Hill, and wanted to know if his deed to Hill would not be all right, I told him I did not think that Mr. Hill could safely buy the land on account of the deed to W.G. Colson without said Colson joining in the deed to said Hill, he insisted that he could not see why his deed would not be sufficient as the deeds to Allie and Colson were fraudulent, and went on to state that there was nothing in the deed to Colson, and that Colson had not treated him right, and that he was satisfied that he aimed to beat him out of what he had, and in his talk he used this expression, two or three times, in speaking of the deed to Colson, "that it was a fraudulent deed executed for the purpose of avoiding the payment of a just debt", I was impressed with the accuracy of his expression in expressing his idea, he stated that the \$400.00 that he would get from Mr. Hill would give him some money to go on and that he did not think he would get anything from Colson, and I think he said he had made a mistake or acted the fool in making the deed to Colson, I suggested to him that if he and Mr. Hill had agreed or could agree about a trade, and there was nothing in the deed to Colson, that probably Mr. Colson would join in a deed conveying the land to Mr. Hill, and for him to see Mr. Colson and see if he would not do so, and I also suggested to him that if Mr. Colson would not join in such a deed and he and Mr. Hill agreed about a price for the land, and a price that Mr. Hill would pay him in any event, that the only course that I knew was for Mr. Hill to bring his suit and sell the land to pay his mortgage and judgment and to let said deeds to Allie and Colson, and that his evidence would be important to Mr. Hill in said suit. I think this was about what occurred between us.

The foregoing ~~XXXXXX~~ answer is objected to as evidence by W.G. Colson and Allie Brent, the same having occurred long after the execution of the deed to Miss Allie Brent and the deed to W.G. Colson, and said statements could not be used in any way to prejudice their rights under said deeds, it is further objected to because the witness undertakes to give his impressions of what he is pleased to term the accuracy of the said Brent's statements in reference to said deeds being fraudulently executed, and further because, the witness undertakes to detail as evidence all the statements made by him to the said R.C. Brent.

Duncan for said Defts.

Cross-Examined

Ques. 1. Did Mr. Brent consult you, as an Attorney in reference to said Deeds?

Ans. I did not, I did <sup>not</sup> understand him.

Ques. 2. Then it was only as a private person and not as a lawyer that he was consulting you.

Ans. I understood him as consulting me only as a private person, if I had understood him as consulting me as a lawyer I should have told him I was Mr. Hill's Attorney. He said nothing about wanting to employ me.

Ques. Did he not consult ~~you~~ with reference to getting rid of said deeds?

Ans. I don't know that he did, I gave him some suggestions along the line

Ques. 5. Did you not among other things advise him that the best way to get rid of said deeds was to let Mr. Hill go on with his suit, and to act in concert with Mr. Hill who had been your client?

Ans. I advised him to see Mr. Hill and if he and Hill agreed upon a price in regard to the land, to see Mr. Colson and ascertain if he would not join in a deed to him, but if he would not I did not know of any other way but for Mr. Hill to proceed with his suit to foreclose his mortgage, and I informed him that his evidence would be important to Mr. Hill in the suit in setting aside the deeds as fraudulent.

---J. C. Noel, another witness of lawful age being duly sworn deposes and saith:

Ques. 1. Did you hold any official position in this county in Novr. and Decr. 1896, if so what was it?

Ans. I was a justice at those dates.

Ques. 2. Did you as such justice investigate charges against William M Miller and Mack Rains for selling liquor unlawfully at Cumberland Gap in this county on or about the 5th day of Decr. 1896?

Objected to, because the investigation of a whiskey case against Miller and Rains or any body else is totally immaterial to this enquiry.

Duncan for Defts.

Ans. I held such an investigation, and judging from a warrant of seizure issued by me I take it to be the 5th day of Decr. 1896. The warrant of seizure is dated

is dated on the 5th day of Decr. 1896, and was intended to be the date of said investigation.

Ques. 3. Do you remember Justice C.Y. Campbell being a witness before you in said investigation and present on that day?

Ans. I do he was there as a witness.

Ques. 4th. Did you ever have an investigation at that place, of that character against Miller and Rains at any other time?

Ans. I don't remember that I ever did.

Ques. 5th. Do you remember to have held any such investigation at that place prior to the 5th day of December 1896?

Ans. I have no recollection of such, and am satisfied that I never did.

Cross-Examined.

Ques. 1. How many times did you go to Cumberland Gap in reference ~~Ans.~~ to the unlawful sale of liquor by Miller & Rains?

Ans. I do not remember but one time.

Ques. 2. Were the warrants issued by you issued at Cumberland Gap, or at Pennington Gap, or where?

Ans. Some of them were issued at Cumberland Gap, on the day of investigation, and some were not issued until I came back home to Pennington Gap.

Ques. Were those which you issued at Cumberland Gap, and on the day of the investigation typewritten or written with a pen?

Ans. They were written with a pen, I think, do not think we had a typewriter along.

Ques. The warrant to which your attention has been called is typewritten, where are the warrants that were written with a pen on that day?

Ans. They were all filed in the office of the Clerk of the County Court.

Ques. Have you any independent recollection of what day you held said investigation other than what you get by looking at this typewritten warrant?

Ans. Not as to the exact date, but I remember that it was in December

Ques. What is it that fixes it in your mind that it was in December?

Ans. We appointed a date for trial some ten days or two weeks afterward to be held at Ewing, and on that occasion Hubert Haws made complaint against Miller & Rains for selling whisky; and the date of that

warrant is *December 15 or 16 or somewhere along*

there. I saw said warrant in the Clerk's office a week or two ago.

Ques. Did you designate that date <sup>of trial at Ewing</sup> in or on the warrant, which bears ~~that~~ date on the 5th day of December 1896 ?

Ans. I do not see the date so designated on the warrant shown me, and I suppose I did not, on it. There were some warrants of arrest issued against William Miller and Mack Rains on the date of investigation at Cumberland Gap; they were arrested there and lawyer Colson representing said Miller and Rains entered their appearance for the day of trial set for Ewing.

Ques. What is the dates of those warrants of arrest ?

Ans. I have not seen them sinnce they were filed in the Clerk's Office but am satisfied that they bear the same date as the warrant I see here bearing date Dec. 5th 1896., that is the warrants of <sup>referred to above</sup> arrest issued at Cumberland Ex Gap.

Ques. 2. Please state anything you may know in regard to a deed ~~from~~ from R. C. Brent to A. L. Brent, dated Sept. 11th 1894 ?

Ans. George W. Blankenship brought this deed to my office, according to my endorsement on the back of said deed, on the 19th day of September 1894. Mr. Blankenship said to me that Mr. Brent wanted the deed recorded, and I told him I could not record it until the tax was paid, and I think that Blankenship said <sup>all</sup> he had to do with said deed was to bring it to the office and he left it there. I then endorsed on the back of said deed " Filed September 19th 1894, S. V. F. Richmond, Clerk," and put the deed in a place different from where I keep the deeds that I file for record--sometime after this--September 19th 1894, Mr. R. C. Brent came into my office, and I told him that his deed was in my office and that if he would pay me the tax on the deed I would record it and give him time on my fee, and he said he would see me in a short time, but he did not return until a year or so after that time he and W. G. Colson were in my office and the deed was taken out of my office and was returned to me by Mr. Colson together with the deed of R. C. and A. L. Brent to W. G. Colson, Trustee, I think Colson took the deed off, that is my recollection, and that was between the 19th day of September 1894, and the time Colson returned the said deed together with the R. C. and A. L. Brent deed to him, which I received from Mr. Colson by mail, on the 11th day of December 1896, according to the endorsement on the back of said deeds. Mr. J. B. Hill

either gave me to record or sent me by mail to record a deed of trust or mortgage from R. C. Brent and wife--this was sent to me or received by me on the 29th day of January 1895, and after this when I returned Mr. Hill's deed of trust or mortgage to him after the same had been recorded and in my office, and I either called his attention to the R. C. Brent deed to A. L. Brent, or he asked me if there was any thing ahead of him, and I told him of the R. C. Brent deed to A. L. Brent and that it had not been recorded and that I would not record it until the tax was paid.

Ques. 3. Please state who erased the endorsement on the deed from R. C. Brent to A. L. Brent of which you have just spoken, and if done by you why you did it ?

Ans. I erased it, and done it because that I did not intend to record it until the tax was paid. I thought if any question come up about it it might be contended that it was filed for record and I never intended said endorsement for such, that is that it was filed for record.

Ques. 4. Did you make another endorsement on said deed, and if so what was it, and why did you make it ?

Ans. I endorsed on the deed "Filed for record Dec. 11th 1896, at the request of Mr. Colson, the tax for recording being paid by said Colson, and recorded it as of that date.

#### Cross-Examined.

Ques. 1. You say that you scratched out the endorsement on the deed "Filed September 19th 1894," when did you scratch that out ?

Ans. I believe it was the day that I delivered Mr. Hill his deed. This was after I had recorded his deed.

Ques. 2. Did he request you to erase that endorsement ?

Ans. He did not.

Ques. 3. How come you to scratch it out on that particular day ?

Ans. Because as I stated before, something was said about the deed of R. C. Brent to A. L. Brent, and I got the deed and scratched that out.

Ques. If you had not intended said endorsement as a filing of said deed for ~~xxxx~~ record at the time you made it, why did you think it ~~xxxx~~ necessary to scratch it out ?

Ans. One reason ~~xxxxxx~~ was that I generally had some one in the office recording deeds for me, and they might have gotten hold of said deed and recorded it through mistake; another reason was ~~xx~~ I scratched it out because I did not intend to record it unless the tax was paid, and another was the deed was not marked in the usual way I marked deeds filed for record.

Ques. If you were afraid that some of your employees might get hold of said deed and record it, because of said endorsement being on it, why did you put it on it in the first place ?

Ans. Because I think Mr. Blankenship asked me to note the date it was filed in the office.

Ques. Did you ever notify Miss Allie Brent that you had refused to record said deed, because the tax was not paid ?

Ans. No, Sir. I understood that I was dealing with R. C. Brent and called his attention to it before the ~~xxxx~~ deed was presented for ~~xxxx~~ record. I never was requested by A. L. Brent ~~xxxx~~ to record the deed.

Ques. Were you requested by anybody to record it when it was first delivered there, if so, who ?

Ans. Mr. Blankenship said there was a deed that Mr. Brent wanted recorded when he brought it there.

Ques. Did not the deed by the endorsement on the back of it show that it was a deed from R. C. Brent to A. L. Brent ?

Ans. It did.

Ques. You state that this deed was afterwards taken out of the office by W. G. Colson, did he have any written order from Miss A. L. ~~Brent~~ Brent for its delivery to him.

Ans. No, Sir. He and Mr. R. C. Brent were in my office together when the deed was taken out.

Ques. So far as you know did Miss Allie Brent have any knowledge of the fact that said deed was taken out of the office by R. C. Brent and W. G. Colson ?

Ans. She did not so far as I know.

Ques. How long was the deed kept out after it was taken out by these gentlemen ?

Ans. I believe it was taken out during the November term of the Circuit Court 1896, and was returned at the date it bears filed for record.

Ques. If you did not intend to ~~receive said deed from Mr. Blankenship~~ record said deed why did you receive it from Mr. Blankenship and mark it filed September 19th 1894 ?

Ans. I marked it filed at Mr. Blankenship's request, but then and there told him I would not mark it filed for record, and he, Blankenship said he would call Mr. Brent's attention to it. I think I offered the Deed back to Blankenship before I marked it filed and he requested me to let it ~~stay~~ in the office as he had been requested to leave it ~~the~~ there.

Ques. Why did you receive said deed in the office without the tax being paid if you did not intend to record it until the tax was ~~paid~~ paid ?

Ans. I simply allowed it to be left there at Blankenship's request, he stating that he had agreed to leave it in the Clerk's office, and wanted some memorandum on it to show when he left it there. I have received a great many deeds not intended to be recorded at the time there were left, and deeds of that kind are in my office now.

Re-Examined.

Ques. 1. Did A. L. Brent <sup>or</sup> R. C. Brent at any time request you to record said deed until on the 11th day of December 1896, you was requested to record the same by W. G. Colson ?

Ans. They did not in person, and only as before stated.

And further this deponent saith not.

Wheeler. And it is further adjudged, ordered and decreed that the said B. H. Sewell, Special Commissioner, pay to those entitled the costs in his hands, and that he proceed to collect the purchase money notes taken by him at said sale as the same become due and pay the same to the plaintiff and report his action from time to time to this court.

G. Colson, Trustee, as purchaser

from R. C. Brent and Allie Brent, and the remaining portion of said one-half they will lay off and assign to the said J. M. Wheeler as his purchase from the said B. H. Said Commissioners will make a fair plat and report of their action and file the same in this cause at least ten days before the next term of this Court.

And it appearing to the Court that the said tract of land has been rented for the present year by the said J. B. Hill and W. G. Colson by agreement, and that said rents have not yet been paid by the tenant or tenants and that the agreement between the said parties was that the said rents should be paid as the Court in this cause might direct, it seems to the Court proper and it is therefore ordered that the said rents be received by the said Hill and said Colson, equally.

H. A. 1151

To the Honorable W. J. Miller Judge  
of the Circuit-Court for Lee County, Virginia:  
By virtue of a decree of said Court,  
rendered on the 16<sup>th</sup> day of June 1898,  
in the Chancery Cause of J. B. Hill  
against R. C. Brent et al, the undersig-  
ned was appointed a special Commis-  
sioner for the purpose of selling the  
land, or so much thereof, in the bill  
and proceedings mentioned, as was  
necessary to pay the debts, interest thereon,  
Cost, and Commissions of sale therein decreed.

Respectfully reports that pursuant to  
the terms of said decree your Commis-  
sioner, after duly advertising the time  
terms and place of sale for at least  
thirty days prior thereto by posting with  
ten notices of the same at three or more  
public places in said County, one of  
which was on the front door of the Court  
house of said County, and is herewith  
filed marked "A" and one in the vicinity  
of said land, on Monday, the 17<sup>th</sup> day  
of October 1898, at the front door of the  
Court house of said County, that being  
Court day, proceeded to sell said land,  
at public outcry, to the highest bidder  
on a credit of one and two years  
time, except so much as was necessary  
to pay the Cost of suit, and Commissions of  
sale.

Under said decree, your Commission

donor was directed to sell the undivided one half interests of R. C. Brent, in what is known as the R. C. and Allie Brent <sup>of land</sup> tract and in the R. C. Brent and J. B. Hill tract of land, both of which are situated near Walnut Hill, in Lee County Virginia. Your Commissioner <sup>at said sale</sup> in order to make said sale to the best advantage, offered said interests for sale in several ways, as follows:-

He first offered the undivided interest of R. C. Brent in <sup>that portion of</sup> the R. C. Brent and J. B. Hill tract that lays on the south of the Main Fincastle road, and the highest bid he received therefor was \$300<sup>00</sup> from George Vanhook <sup>Junior</sup>, and the same was knocked off to him. He then offered for sale the undivided interest of the said R. C. Brent in that portion of the R. C. Brent and J. B. Hill tract that lays on the north of said Fincastle road, and received no bid therefor.

He then offered for sale the undivided interest of R. C. Brent in the R. C. and Allie Brent tract, and the same was knocked off to George Vanhook Junior at \$300<sup>00</sup>, being the highest bid.

He then offered for sale the undivided interest of R. C. Brent in the whole of the R. C. Brent and J. B. Hill Tracts of land, and this said interest was knocked off to George Vambaker Trustee at \$1125<sup>00</sup>, being the highest bid in this way.

In the above ways said undivided interests failed to bring the debts, interest cost and commissions of sale that was decreed.

Your Commissioner then offered for sale the said undivided one half interests of R. C. Brent in both of said tracts of land, and George Vambaker Trustee bid therefor \$1520<sup>00</sup>, which was the highest bid, and the same was knocked down to him.

It was understood that none of the above sales were to stand if they did not satisfy said decree, or if after the above was so sold, a less quantity than the said undivided interests of R. C. Brent in both of said tracts would satisfy said decree.

With <sup>the</sup> above announcement, your Commissioner then offered for

sale, the least quantity of said undivided interests of said R.C. Brent in said two tracts of land that would satisfy the terms of said decree. In this way of selling, after some bids were made for different amounts, George Vanbeekhoven must bid ~~the~~ \$1469<sup>88</sup> for the undivided interest of <sup>100</sup>R.C. Brent in the R.C. Brent and J.B. Hill tract of land, less three acres thereof on the east side of said portion that is on the north of said Pineville road, and less one acre thereof on the west side of said portion on the north of said Pineville road, and this was the least quantity that would bring the required amount decreed, to wit: \$1469<sup>88</sup>, being the debts, interest, <sup>100</sup>costs, and commissions of sale, and the same was decreed down to said George Vanbeekhoven must he having bid the required amount for the least quantity of said interests in said two tracts of land. x  
Out of said amount bid by

the said George Vanbecker Trustee, there  
was  $\$138\frac{12}{100}$  of Costs of suit and Commissions  
of sale, which was required to be paid in hand.  
For this  $\$138\frac{12}{100}$  George Vanbecker Trustee  
Gave your Commissioner W.G. Colson's  
draft.

For the residue of said amount bid  
by George Vanbecker Trustee,  
 $\$1331\frac{76}{100}$ , your Commissioner divided  
into two equal annual install-  
ments, <sup>of  $665\frac{88}{100}$  each, payable in one and two years respectively</sup> and prepared two bonds  
to himself as Commissioner therefor  
bearing interest from day of  
sale. These two bonds George Vanbecker  
Trustee and W.G. Colson signed  
in his presence, and the said George  
Vanbecker took said bonds home  
with him to get other ~~parties~~ <sup>sureties</sup> to sign  
them.

Your Commissioner states that he deposited  
said draft in the Powell's Valley  
Bank for collection, and that  
said draft has been reported  
paid, but that the said George  
Vanbecker Trustee has not  
complied with the <sup>other</sup> terms of said  
decree and sale, and has not  
returned to your Commissioner  
said bonds with the required  
sureties thereon, and that he  
has not heard from him since said  
sale. All of which is respect

fully submitted. This the  
31<sup>st</sup> day of October 1898.

To the Honorable W.A.W. Skeen, Judge of the Circuit Court for Lee County, Virginia:

Your undersigned Special Commissioner begs leave to report that he holds the two purchase money bonds against George Vanbebber and his sureties W.G. Colson, trustee, J.M. Wheeler <sup>for the land sold in said cause,</sup> and William Hoskins. Said bonds are shown by his reports here tofore filed on October 31st, 1898, and November 9th, 1898. The first of said bonds is for the sum of \$665.83 and dated October the 17th, 1898, and due and payable one year after its date, with interest from date. On this bond has been made the following payments: February 19th, 1900, by check from W.G. Colson for \$532.37; February 12th, 1900, by Orr & Blankenship per the order of W.G. Colson, \$274.98; February 12th, 1900, by amount paid by B.I. Sewell at the direction of W.G. Colson \$50.00. The second of said bonds is for \$665.83, and dated October 17th, 1898 and due and payable <sup>two years</sup> after its date, with interest from date. The credits as stated on the first of said bonds is all that has been paid thereon, and nothing has been paid on the second of said bonds, therefore, as the said George Vanbebber and his said sureties have failed to pay the balance and accrued interest on said first bond, and have failed to pay the whole of the said second bond with the interest thereon, a rule is respectfully asked to be awarded <sup>and his said sureties</sup> against the said George Vanbebber to show cause if any they have or can why a personal judgment should not be rendered against them and each of them for the balance and interest due on said first bond, and for the whole amount and interest of the said second bond, and why the land purchased by the said George Vanbebber in said cause, and for which said bonds were executed, should not be <sup>re-</sup> sold at the risk of the said George Vanbebber to satisfy and pay off said two purchase money bonds. <sup>Your Special Commissioner has paid the money collected by him on above stated</sup> Said bonds being long past due. This the 15<sup>th</sup> day of November 1900.

Respectfully submitted.
